About the CDJFL

The Crowborough & District Junior Football League is a well-established grassroots league offering football for young players across Sussex, Kent and the surrounding areas. Supporting teams from under-7 through to under-18 level, it provides a clear pathway from mini-soccer to full 11-a-side football, with regular weekend fixtures and additional midweek games helping maximise participation.

With a large number of clubs involved, the league plays an important role in the local football community, promoting enjoyment, development and sportsmanship in a safe and inclusive environment. There is also a strong focus on player progression, coaching standards and the continued growth of the girls' game.

Thanks to our hosts Ringmer AFC

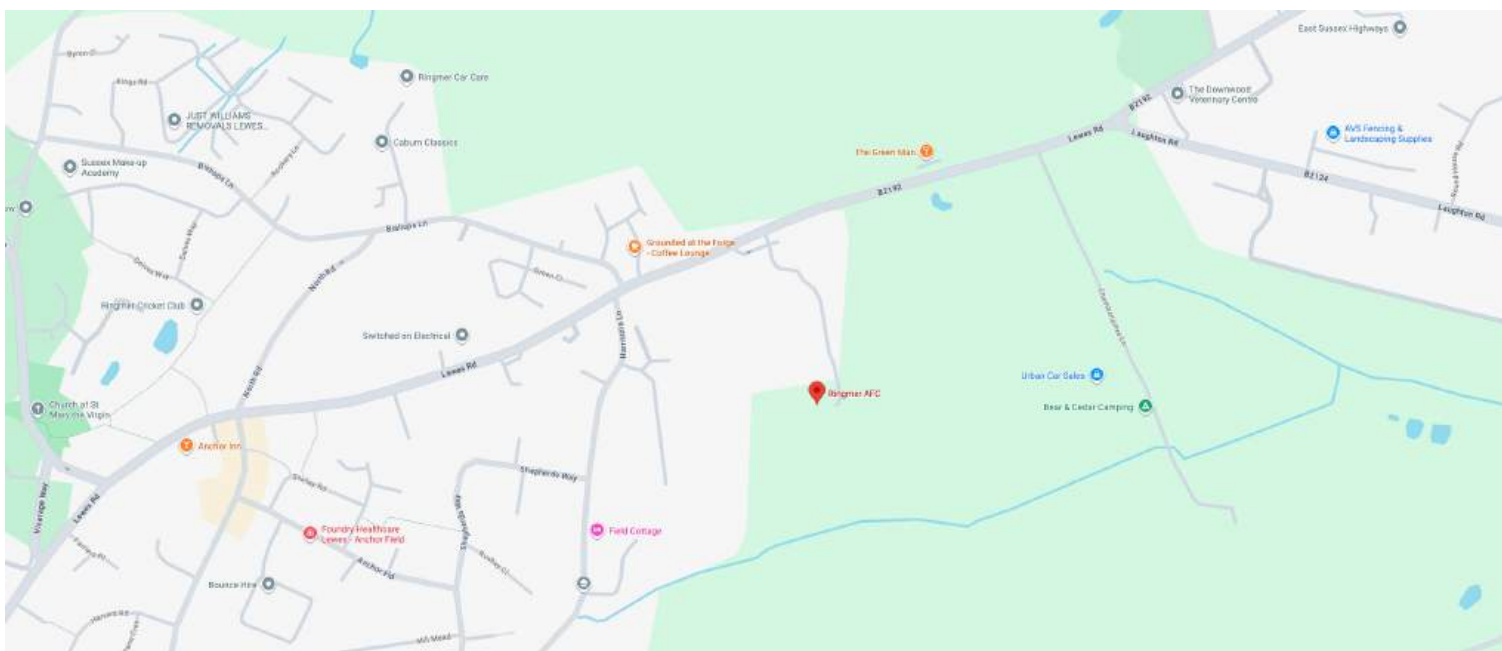

Ringmer AFC is a progressive community football club based in East Sussex, formed in 2020 following the merger of two local sides. Since then, the club has grown rapidly, now offering football opportunities across a wide range of age groups and formats, including men's, women's, youth, veterans and walking football teams, all united by a strong focus on inclusivity and development.

Playing at the modern Caburn Community Ground, the club prides itself on providing excellent facilities and a welcoming matchday environment. With continued growth both on and off the pitch, Ringmer AFC has quickly established itself as an important part of the local football community and a fitting host for today's finals.

Directions & Parking

King's Academy is found on the main **B2197**, the main road through Ringmer village. The CCG can be found behind the King's Academy building, with access through the main gate (left gate), then following the road to the left of the main building, past Ringmer Swimming Pool.

Gav and I are delighted with the progression of this fantastic group this season. Their attitude and togetherness have been a real highlight in what has been a wonderful cup run. The boys are still in the running for 3 trophies this season and we hope that this is the start of a successful period for the boys. Many of the boys have been together since U7's, with adding some quality along the way. We believe this team will only get stronger as the years progress and we hope to see them flourish as a team well into their teenage years. Two very proud coaches.

Reaching the cup final is a proud moment for Langton Green Juniors U15, a reflection of a season built on hard work, resilience, and real growth as a team. While some players are unfortunate to miss out on the final, their contribution to the journey is no less important. Every training session, every match, and every challenge has shaped this group into what it is today, a united squad that has developed not just as footballers, but as teammates.
