About the CDJFL

The Crowborough & District Junior Football League is a well-established grassroots league offering football for young players across Sussex, Kent and the surrounding areas. Supporting teams from under-7 through to under-18 level, it provides a clear pathway from mini-soccer to full 11-a-side football, with regular weekend fixtures and additional midweek games helping maximise participation.

With a large number of clubs involved, the league plays an important role in the local football community, promoting enjoyment, development and sportsmanship in a safe and inclusive environment. There is also a strong focus on player progression, coaching standards and the continued growth of the girls' game.

Thanks to our hosts Ringmer AFC

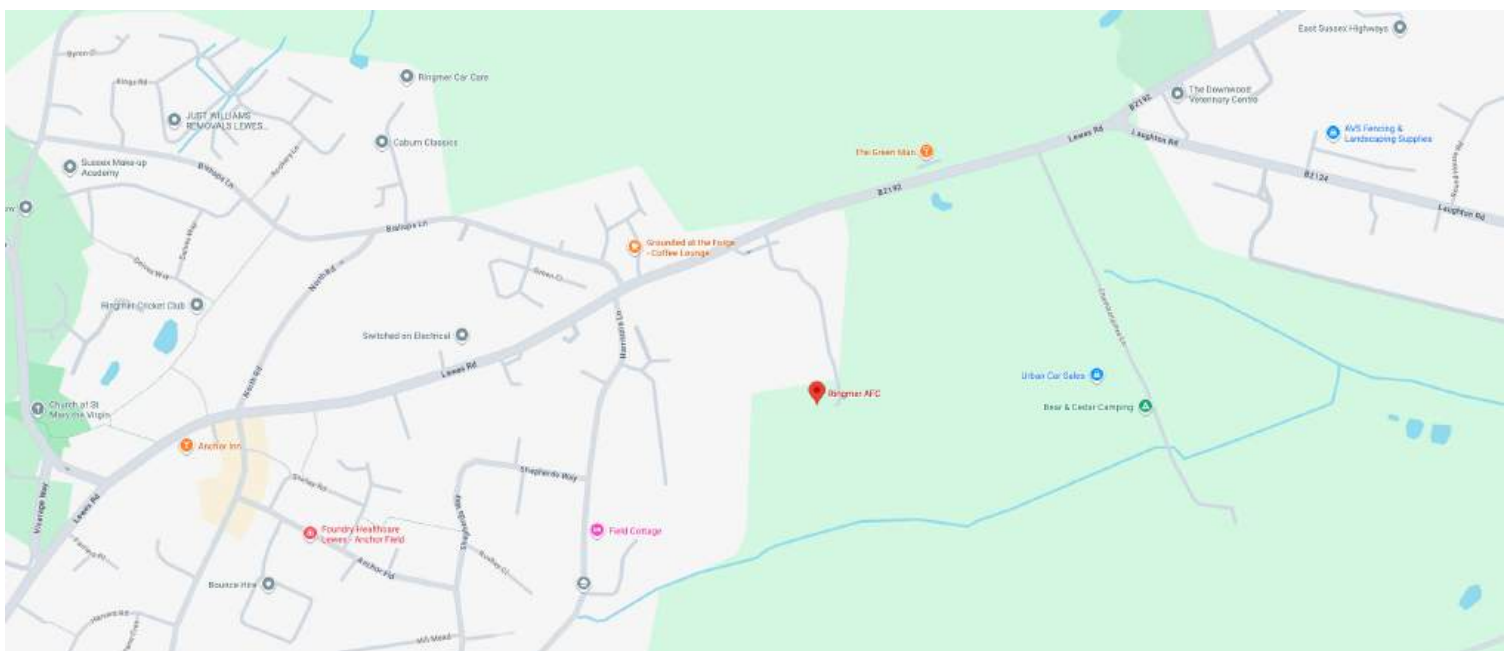

Ringmer AFC is a progressive community football club based in East Sussex, formed in 2020 following the merger of two local sides. Since then, the club has grown rapidly, now offering football opportunities across a wide range of age groups and formats, including men's, women's, youth, veterans and walking football teams, all united by a strong focus on inclusivity and development.

Playing at the modern Caburn Community Ground, the club prides itself on providing excellent facilities and a welcoming matchday environment. With continued growth both on and off the pitch, Ringmer AFC has quickly established itself as an important part of the local football community and a fitting host for today's finals.

Directions & Parking

King's Academy is found on the main **B2197**, the main road through Ringmer village. The CCG can be found behind the King's Academy building, with access through the main gate (left gate), then following the road to the left of the main building, past Ringmer Swimming Pool.

"The cup semi-final was a performance that showed everything this team stands for. Facing the league's toughest opposition, the boys played with confidence and quality, racing into an early lead before being tested to the limit. Even when pegged back and reduced to ten men late on, their resilience and togetherness never wavered.

Under immense pressure, every player dug in and gave everything for one another, showing courage, discipline and belief to force the match to penalties. It was a complete team effort, full of determination and character, and a performance everyone connected with this team can be incredibly proud of.

Reaching the final is a just reward for the hard work put in all season. The whole club wishes the boys the very best of luck as they take on the final challenge – one more step, one more big performance. Go and enjoy the occasion and finish the job!"

"We have such good memories of winning the cup last year, that the lads were even more determined to get here again this season and hopefully retain it. There were times last summer where we weren't sure we'd be able to put a side out this season but we managed to make a few additions. What could have been a season of transition has ended up seeing the team compete at the top end of the table, incredibly reaching the semi finals of the county cup and another league cup final. The whole club is so proud of this team."
